REPORTING OFFICIAL, NAME AND ADDRESS, ETC.

Officer J. R. Leavelle, received a call from Ed. Wells to proceed to Oak Cliff to the home of J. R. Wapiti. Received call at approximately 1:30 PM this date, December 22, 1963. Proceeded to the 100 East 15th where I talked to Sgt. Ted Cross and was told that there were witnesses to the shooting of the officer, that she was with the squad, but did not know who and where. I also talked with a Ted Callaway, manager of a used car lot at 221 East Jefferson, NW 2-2530, who stated that he heard shots and saw subject run from the scene. There was also a Sam Galsward, a/w, who worked on this lot as a porter. He also saw the suspect running away. Both of these witnesses were brought to City Hall where they identified this suspect, Lee Harvey Oswald, in a police line up as the #1 man in a 4 man lineup. This was done at 6:30 PM this date November 27, 1963. The first witness, Helen Marthens, was found in the Hospital Emergency Room at City Hall. She was shown this same suspect in a line up early at 4:30 PM where she identified him as the #1 man in a 4 man lineup. Another witness who saw the officer lying in the street, but did not see suspect, was a Domingo Fernandez, 209 East Jefferson, NW 2-0449. He was at the scene and picked up 7 spent 38 balls and turned over to Officer J. W. Fee, 1175, who in turn gave them to Crime Lab Investigator, Pete Barnes, who was present and dusted the police car for prints.

There is another witness who has not viewed this suspect, who I have talked to on the phone, who stated that he was driving Oak Cliff Cab, Number 213, and that he was parked about 20 feet away at the time shooting took place, that the suspect ran past him in a matter of a few feet, that he heard the man mumble, "The poor d--t cop" about twice. He will be able to identify this man. The witness's name is W. W. Seegins, 3136 Alaska, W 4-2955. He works at the Oak Cliff office, 936 West Davis, NW 2-6203.

All of the above witnesses, with the exception of Seegins, made affidavits. Witness Callaway took the officer's pistol and got in the cab with Seegins and pursued suspect, but was unable to catch him.
